

RAINCATCHER CASE STUDY #24 SUNDERLAND CITY COUNCIL SERVICE AND MAINTENANCE REPORT

Date: 24.04.18

EVOLVE BUSINESS CENTRE
RAINTON BRIDGE SOUTH BUS. PARK
CYGNET WAY, TYNE & WEAR
DH4 5QY

Another year has passed and we are glad to received pleasing messages from our long standing clients -
"We are really pleased with the system and the level of support you give us"

A small amount of sediment was visible in the tank however not warranting a tank clean
Mains back up fully functional
Regulation air gap clear from obstruction etc etc
System was left functioning correctly with one advisory notice supplied for completion on the next bi-annual visit in October
